

IC SPICY

IC SPICY Due Diligence Data Room Index

A clean map of materials for serious reviewers.

For organizing investor, partner, legal, retail, and technical diligence.

Farm-grown heat. Chef-built flavor. Blockchain-backed provenance.

Prepared May 2026 - Draft marketing material; legal review required before public token claims.

Core Brand Docs

Branded whitepaper, pitch deck, roadmap, executive summary, market analysis, marketing strategy, founder bio, press kit, and retail sell sheet.

Technical Docs

PROJECT_CONTEXT.md, AGENTS.md, canister architecture, ICRC-7 plan, asset upload notes, security posture, audit plan, local test results, and canister IDs as they are finalized.

Commercial Docs

Wholesale line sheet, SKU sheets, packaging guide, pricing model, margin assumptions, demo scripts, launch calendar, and retail readiness checklist.

Legal and Risk Docs

Token disclosure draft, claims checklist, food safety checklist, privacy policy, terms, risk register, audit scope, and counsel review notes when available.

Open Items

Populate legal entity details, finalized UPCs, insurance, production certifications, lab tests where needed, audit firm selection, LGE dates, SPICY ledger ID, and post-launch retail scan data.
