

IC SPICY

IC SPICY 30-Day Launch Content Calendar

A realistic posting plan for a solo founder.

For X, Instagram, TikTok, Facebook, and email.

Farm-grown heat. Chef-built flavor. Blockchain-backed provenance.

Prepared May 2026 - Draft marketing material; legal review required before public token claims.

Week 1 - Origin

Day 1 founder story, Day 2 Zone 10a grow post, Day 3 rare pepper photo, Day 4 chef blend teaser, Day 5 X thread on why grocery spices are anonymous, Day 6 behind-the-scenes, Day 7 email signup push.

Week 2 - Product

Show each hero SKU, tasting notes, recipe use, heat level, packaging direction, and one customer/friend tasting reaction.

Week 3 - Proof

Post QR provenance demo, NIMS grow tracking, ICP explanation in plain English, farmers-market prep, and a retail ambition thread.

Week 4 - Launch

Announce limited batch, run countdown, post demo video, share recipe cards, host X Space, publish founder note, and ask for reviews and shares.

Cadence Rule

Do not wait for perfect visuals. Ship useful content consistently, capture the real process, and let the audience watch the brand become real.
