

IC SPICY

IC SPICY Short-Form Video Script Pack

Hooks and shot lists for Reels, TikTok, and Shorts.

For fast content production from the farm, kitchen, and desk.

Farm-grown heat. Chef-built flavor. Blockchain-backed provenance.

Prepared May 2026 - Draft marketing material; legal review required before public token claims.

Video 1 - Boardroom vs Soil

Hook: Most seasoning brands start in a boardroom. Mine starts here. Shot: hand in soil, pepper plants, drying peppers, seasoning jar. CTA: follow IC SPICY.

Video 2 - Heat Is Easy

Hook: Making food hot is easy. Making heat taste expensive is the work. Shot: chef tasting, ingredients, plated food. CTA: join the waitlist.

Video 3 - Scan The Jar

Hook: What if your spice jar could tell you where the peppers came from? Shot: QR mockup, NIMS screen, plant photo. CTA: watch the provenance build.

Video 4 - Kinder's Challenge

Hook: I respect Kinder's. But I think a Florida rare-pepper brand can hit harder. Shot: shelf, blend test, founder talking. CTA: which flavor should launch first?

Video 5 - Superhot Discipline

Hook: This is not a prank blend. This is controlled fire. Shot: tiny pinch, sauce, tasting reaction. CTA: PepperHeads are coming.
