

IC SPICY

IC SPICY Influencer and Chef Outreach Kit

DMs, collaboration framing, and sample-box copy.

For chefs, grill creators, pepper reviewers, and local food influencers.

Farm-grown heat. Chef-built flavor. Blockchain-backed provenance.

Prepared May 2026 - Draft marketing material; legal review required before public token claims.

DM Script

Hey [Name], I am building IC SPICY - a Southwest Florida rare-pepper seasoning brand with chef-built blends and provenance-backed storytelling. I would love to send you an early sample box and get your honest take.

Chef Collaboration Offer

Limited co-branded blend, recipe content, tasting notes, launch livestream, and revenue-share or flat collaboration terms depending on partner fit.

Sample Box Insert

You are tasting an early IC SPICY batch. Please try it on a neutral food first, then on your favorite protein or vegetable. Honest feedback is more valuable than hype.

Creator Guidelines

No fake praise required. Disclose gifted product. Focus on flavor, use case, aroma, balance, and heat level. Tag IC SPICY and share recipe ideas.

Best Targets

Pepper reviewers, BBQ creators, chefs, Florida food accounts, regenerative farming creators, ICP creators, and premium pantry reviewers.
